Your Voice in the Village

November 2023 President's Message:

I tend to view November as good news and bad news:

1. Love the fall colors, hate all the leaves that come with it.
2. The holidays are coming...yeah!
3. The holidays are coming...oh no – need to start shopping!

Regardless of your views on the upcoming months, HOA has lots of great events to help you get in the holiday spirit! Here are a few of them:

- Annual Holiday Gala is December 3 at the Yacht Club. There will be both live music and DJ Steve, which should be a lot of fun. The event is almost sold out, so don't wait to book your tickets!
- Holiday Hand and Foot & Carryin is on December 13 at the Chota Rec Center, 5-8pm. Why fight the store crowds when you can have some fun while winning a prize that you can regift!
- Holiday Cookie Exchange is on December 18, 11am-1:30pm at the Blue Heron (Yacht Club). Here's a chance to avoid store bought cookies and get the good stuff!

Our November Social is on Tuesday the 14th at the Yacht Club. This event will be dedicated to recognizing and thanking our wonderful volunteers who run HOA. HOA is an all-volunteer organization and without them we would not exist! Please plan to attend and help us to thank everyone who has helped to make 2023 a success. Also, we will be holding a short HOA Business Meeting at the start to elect our 2024 HOA Board. Your vote is important! Here is the slate for 2024:

President	Open
VP of Programs	Lavonne Mitchell
VP of Advocacy	Mike Robins
VP of Membership	Mark Flynn
VP of Communication & Marketing	Kay Condon
VP of Technology	Bob Bilobeau
VP of Social Planning	Roxanne Jackson
VP of Event Planning	Betty Fortune
Secretary	Nancy Mariani
Treasurer	Roberta Hopkins
Past President	Mark Pantley
Chair at Large	David Warmbold
Neighborhood Watch	Sherry Le
Welcome Orientation	Judy Bell

As you see, we don't have a President identified at this point for next year. Normally the next

President's message cont'd:

President comes from within the prior year's Board; however, this year we don't have anyone who is able/willing to stand for President. As a result, the Board is looking at other options – one of which is to find someone within the existing HOA membership who would be interested in filling this role. If you have an interest in filling the President's role in 2024, please contact one of the Nomination Committee members: Mark Pantley, Ken Litke, Lavonne Mitchell, or Joe Bogardus. You can find the job description on our web site: [Board of Directors – Tellico Village HomeOwners Association \(hoatelicovillage.com\)](http://Board of Directors – Tellico Village HomeOwners Association (hoatelicovillage.com))

Recently we experienced several events within our membership that resulted in the HOA Board producing a policy regarding Disciplinary Action. The policy was approved by the HOA Board at our September meeting and incorporated into our Policy Book. Here is the text:

Disciplinary Action:

In the event that a member acts in an unacceptable manner towards HOA Board members, HOA volunteers, other HOA members, the HOA in general or venue staff, it is the prerogative of the HOA Board to discontinue the member's membership with the Tellico Village HOA.

Actions that may constitute unacceptable behavior include (but are not limited to):

- 1) Verbal or non-verbal communication that is confrontational, aggressive, or deemed inappropriate.*
- 2) Cheating or other behavior deemed inappropriate during HOA events where games are in play.*
- 3) Inappropriate behavior in the form of language or interpersonal interaction when a complaint has been filed with the HOA.*
- 4) Stealing from the HOA in the form of monetary funds or materials/food items that the member removes above what is intended for each member.*

If unacceptable behavior occurs, the circumstances will be documented by the applicable HOA VP and then submitted to the President for action. The President and the submitting VP will together determine the appropriate steps to take – e.g., verbal or written warning, request to the Board for termination of membership, etc.

If a person's membership is terminated, they will not be allowed to attend HOA functions or events going forward including as a guest of another member. The member may request reinstatement after a period of two (2) years. Reinstatement will be subject to HOA Board approval. If the member is reinstated, and has another occurrence, the member will be banned for life.

Mark Pantley
HOA President

2023 POA CANDIDATE FORUM

On Thursday, October 12th, the HOA hosted the 2023 POA Candidate Forum at the Tellico Village Community Church. Current POA Board Members, Pat White and Rick Blough, will complete their term at the end of 2023, making available two open Board positions. Applying for the open positions are:

- Mike Braddock - mbrad80@gmail.com
- Ed Grollemond -ed@grollemond.com
- Don Hart - dfhgolfer72@gmail.com
- George Luttrell - georgeluttrell@prodigy.net
- Mark Pantley - mark.pantley@gmail.com

The forum began with POA Chief Executive Officer, Chet Pillsbury, providing the candidates and audience an overview of what the position entails. That was followed by each candidate providing information about themselves and an explanation as to why they are seeking the position. Each candidate had the opportunity to respond to 3 HOA prepared questions, followed by a Q&A session with multiple questions from the audience. It was a very informative session.

If you were unable to attend this event, we encourage all residents to watch the recorded presentation on [Tellico Village Network - YouTube channel](#). Click [here](#) to learn more about each candidate.

The future of our community is in the hands of the residents that vote. The HOA does not endorse any specific candidate. However, we do encourage all residents to engage in the process of electing the Board Members who will be responsible for aiding in the planning and management our great community. Do your part and get out and VOTE.

ADVOCACY UPDATE

ARE YOU PREPARED FOR THE NEXT EMERGENCY?

Neighborhood Watch recently sponsored an event presentation in Kahite regarding Emergency Preparedness. Tellico Village resident, Kevin Haney, talked about why it is important to prepare for emergencies, having a family emergency plan, receiving alerts and warnings, evacuation routes and Emergency GO kits. These are all things residents of our community should be ready for in the event of a natural disaster, medical emergency, major power outage or other large event.

Tellico Village is a large community with a lot of residents who, when it happens, might all try to evacuate at the same time. Imagine what the traffic will be like on Hwy 444 if that were to occur?!! Do you know alternate routes getting to Hwy 444 in the event a tree is down, and you cannot get out of your neighborhood? Do you know other ways to exit Tellico Village besides getting to Hwy 321 or Hwy 72.

Do you know what you are going to grab in an emergency situation when you have to leave? Medications, documents, things that prepare you to be away from your home possibly for days at a time.

And where are you going? Know places you might go to or nearby family you can meet up at. What if your

What plants should I avoid putting in my yard in Tellico Village?

Aesthetics & Environment COMMITTEE

The first step on the path to a Tennessee Smart Yard is “Right Plant; Right Place.” You may be wondering what exactly is a “right plant” for your yard? A good place to start is to understand what are the “wrong” plants. You’ll gain 2 inches on your Smart yardstick if you remove or avoid invasive/exotic plants. “Exotic” plants are any plants that are not native to East Tennessee -- these often originated in the Far East and are native to places like China and Japan. “Invasive” plants are often non-native and tend to grow and spread with abandon. They can be difficult to control and contain to a specific area. The problem with

invasive/exotic plants is twofold: (1) they often don’t produce any or very minimal sustainable nutrition for our native wildlife; and (2) they can outgrow and choke out our native plants that *do* produce nutrition for wildlife. Here’s a short list of invasive/exotics we see already thriving in Tellico Village – these are definitely the “wrong” plants – each is highly invasive and together they are taking over our native landscape.

- Mahonia
- Japanese Honeysuckle
- Privet
- Mimosa

This information is brought to you by the HOA Aesthetics and Environment Committee of Tellico Village. We encourage you to learn more about the Tennessee Smart Yard program so the yard at your home can contribute to the natural beauty of Tellico Village. <https://tnyards.utk.edu/>

Plant This Instead by Troy B. Marden

Are you looking for ideas for plants for your yard? This book can be a good resource. The author combines native with non-native suggestions, shows you a photo, explains why it is better than another similar plant. Here is an

example: Instead of Leland Cypress (Figure 1) for an evergreen that provides privacy and grows quickly, consider ‘Emerald Arborvitae’ or ‘Green Giant Arborvitae’ (Figure 2). If you would like to see the difference between the two, drive over to Toqua and view the huge Leyland Cypress alongside of the road before you reach the parking lot. Jon North, Toqua Superintendent, plans to remove them because they became too large and disease prone. Then view the ‘Green Giant’

Arborvitae planted behind the

Toqua Golf Course Hole #14 restrooms. Rita Koridek, Toqua Beautification Committee member, recommended these as a privacy screen for homeowners who live behind the restroom building. You can also view them from Walosi Way (look for back of restroom on the lakeside). We are hoping to make this book available in the library.

On October 14th our HOA Litter Angels collected 59 bags of trash, tires, and construction debris. The next clean-up is scheduled for Saturday, November 4th, 2023. Volunteers will meet at Tugaloo Beach at 8:30am for equipment and work assignments. To join and learn more about the HOA Litter Angels Next Door Group click [here](#).
